BXS Insurance Named to National Best Places to Work in Insurance List

Award Recognizes Outstanding Employers in the Insurance Industry

BATON ROUGE, La., Oct. 2, 2019 /[PRNewswire](#)/ -- BXS Insurance, a subsidiary of BancorpSouth Bank (NYSE: BXS), has been named as one of the Best Places to Work in Insurance by Business Insurance magazine. This national award recognizes employers' efforts to establish a workplace where employees can enjoy their day-to-day work, reach their career potential and contribute to their organization's success.

"Every day, more than 650 BXS Insurance teammates work together across eight states and 31 offices for one purpose: to provide the highest standard in insurance services for our clients," said Markham McKnight, president and CEO of BXS Insurance. "Our people are the reason behind our success, and it is an honor to be recognized for building a strong organizational culture."

Best Places to Work in Insurance is an annual feature presented by Business Insurance and Best Companies Group that lists the agents, brokers, insurance companies and other providers with the highest levels of employee engagement and satisfaction. Best Companies Group identifies the leading employers in the insurance industry by conducting a free two-part assessment of each company. The first part is a questionnaire completed by the employer about company policies, practices and demographics. The second part is a confidential employee survey on engagement and satisfaction.

The program divides employers into the categories of small, 25-249 employees;

medium, 250-999 employees; and large, 1,000 or more employees. This year's report features 75 companies of various sizes, from 25 employees to more than 4,000.

The ranking and profiles of the winning companies will be released in the November issue of Business Insurance and at businessinsurance.com.
